[&]quot;Knowing how to pack is one of the fine points of a good nursery".

DECIDUOUS TREES

Our Shade and Ornamental Trees are first-class, well-shaped, young and vigorous nursery grown trees, with good roots. They have been grown from seedlings transplanted in the nursery row especially for this purpose.

All calipers taken six inches above the collar.

EVERGREENS

Prices Are For Evergreens Securely Balled and Burlapped.

Can dig Evergreens, roots puddled at the following reductions in prices:—12-18" at 12½ c—18-24" at 15c—2-3' at 20c.

Our Evergreens have all been frequently transplanted having been grown with plenty of room for development. Have been properly sheared and pruned for producing compact, symmetrical specimens.

Evergreens selected and marked by customers in the nursery field will be charged for in accordance with their values, and prices named in this list will not govern.

We do not guarantee Evergreens to live and will only make adjustments when complaints are filed promptly upon receipt of shipment.

ARBOR VITAE, Thuja

American, Occidentalis 30-40 ft.

Well	known, hardy, pyramidal tree with broad base.	Valuable for	general
plant	ing, also for hedges and windbreaks.	Per 10	Per 100
300) 12 to 18 inch	4 00	30 00

PEONIES

Our Peonies are strong 3 to 5 eye divisions taken from Three Year Clumps. This age and size plants have proven most satisfactory for the general trade. Figures after variety imply rating as given by the American Peony Society.

(*) Clumps of Undivided Plants, running from 5 to 10 eyes can be furnished at $2\, \frac{1}{2}$ times the 100 rate.

	In Separate Colors:	Per 10	Per 100

LATHYRUS LATIFOLIUS, Perennial Sweet Pea		
This is one of the Perennials that can be used as a vine.		
Excellent for covering trellis. These charming flowers look		
very much like its annual relative, the Sweet Pea, but are		
larger and more wax-like. Blooms throughout the summer		
from June to August. In Separate Varieties, Pink Beauty, Crimson, White Pearl	. 80	6.00
Mixed Colors	.70	5.00
LILY OF THE VALLEY	. 10	0.00
Clumps, 10 pips per clump	1.80	15.00
PipsLILIUM	.15	1.20
Lilies seem to be coming in more popular demand. The		
variety list that we are listing has been thoroughly tested		
and they are growing and blooming here at Shenandoah so		
we can truly recommend these as being most successful for		
outdoor planting.		
Auratum, white background with bands of gold spotted maroon.	1 00	15 00
8-9" 6-8"	$\frac{1.80}{1.50}$	15.00 12.00
- 5-6"	1.20	10.00
Batemanniae, apricot shaded lily, easy to cultivate and grows		
equally as well in partial shade as in full sun, adaptable for		
an ordinary garden.		10 0-

GLADIOLUS

We are growing some 300 varieties of Gladiolus so if you do not find what you want listed write us a line for we no doubt have it. We have practically all the newer and better varieties but we are not offering them in quantity lots until our stock permits.

Our bulbs are free from disease, and they are absolutely guaranteed true to name.

to name.
